Kimberlee Einspahr, Ph.D.

Independent Consultant

This protocol was developed as a project of the University of Illinois at Chicago, National Research and Training Center on Psychiatric Disability, directed by Judith A. Cook, Ph.D. The Center is supported by the National Institute on Disability and Rehabilitation Research, U.S. Department of Education, and the Center for Mental Health Services, Substance Abuse and Mental Health Services Administration (Cooperative Agreement #H133B000700). The opinions expressed herein do not necessarily reflect the position, policy, or views of either agency, and no official endorsement should be inferred.

People with psychiatric disabilities are encouraged to reproduce materials from this research protocol and documentation for their own personal use or use by non-profit, consumer-run organizations. All other rights reserved. No part of the material may be reproduced in any form or by any means, electronic or mechanical, including photocopying, recording, or by any information storage and retrieval system, without written permission from the authors.

The authors would like to acknowledge the POP Consumer/Survivor Advisory Board members, who provided input on multiple drafts of the Protocol, as well as Richard Evenson, Ph.D., Research Professor Emeritus at the Missouri Institute of Mental Health, who analyzed the psychometric properties of the instrument. Also invaluable was the assistance of Diane O'Rourke, MA, of the UIC Survey Research Laboratory, who helped prepare the final versions of the Protocol and its companion pieces.
